The Rev. Rebecca J. Tollefson, a native of Iowa, became the Executive Director of the Ohio Council of Churches in April, 1997. She has held ministerial standing in the Presbyterian Church (U.S.A.) since 1981. Rebecca served for 10 years in parish ministry in Iowa and Minnesota, as the Director of the Commission on Faith and Order for the Minnesota Council of Churches, and then joined the national staff of the Presbyterian Church (U.S.A.) in 1991. While there she served as Associate, Women Employed by the Church, and later as Associate for Call Referral Services. Rev. Tollefson says this, "Healthy boundary training helps church professionals to better understand relational boundaries. What are they? What are they not? This is a twist on how we can take positive steps instead of being told –'thou shalt not.'"
